

# CyberProofed?

Grades 9-10

# CYBERPROOFED?

a grade 9 & 10 resource kit

## Introduction

"Cyberproofed?" is an internet safety resource kit developed by Peel Regional Police in conjunction with the Dufferin-Peel Catholic District School Board and the Peel District School Board. It is designed to raise awareness of the strategies that students and parents may employ in order to minimize the risks associated with internet use.

While no prior knowledge is required, some awareness of internet vocabulary and terminology may be helpful. A glossary of internet terms is included in this resource kit. You are encouraged to photocopy the printed materials in this resource kit.

## Proposed Program Details

- 1) Assessment Questionnaire and Answer Sheet with Teaching Notes  
(completion of the questionnaire – 20 minutes)

One month prior to program initiation, students will complete the Assessment Questionnaire consisting of 20 true/false situational questions and 5 student profile questions. Your school profile will be reviewed by the Police Officer during the internet safety assembly.

- 2) Internet Safety Assembly – Grade 9 and/or 10  
(Include additional time for seating)
  - Introduction by the Police Officer – 15 minutes
  - Internet Safety Video – 20 minutes
  - Officer's Discussion with students – 20 minutes
  -

- 3) Scenarios

Scenarios are designed to be discussed in small group settings (e.g., teacher/advisor groupings, home form, classrooms) after the assembly and prior to the students completing Post-Assessment Questionnaire.

- 4) Attitudinal Assessment for Students

Completed Assessment Questionnaires are forwarded to the school board office as outlined in the covering memo.
